

The background of the entire page is a collage of numerous hands of various colors, patterns, and textures. Some hands are solid colors like blue, green, yellow, and red. Others have patterns like polka dots, stripes, or floral designs. The hands are arranged in a circular fashion around the central text and globe, symbolizing global unity and diversity.

TROY

ADVENTIST ACADEMY

2019-2020

Message from the Principal

TAA Families,

I feel so blessed that each of you are part of the Troy Adventist Academy family. We have sure had an interesting year... we went on many amazing field trips, started a Lego Club (thank you leaders), and ended our year in quarantine. No other class before us has ever had to learn how to complete their education with Distance Learning online. We praise God for amazing parents, students, teachers, and a supportive conference who all worked together to finish the year strong. This is definitely a year to remember! Even our youngest students learned how to Zoom and worked hard to stay focused at home. It has not been the easiest year, but God has been with us.

My prayer for each of you is to grow closer to God.

2 Peter 3:9 "The Lord is not slack concerning his promise (to return), as some men count slackness; but is patient towards us, not willing that any should perish, but that ALL should come to repentance."

We can see through Bible prophecy where we are in God's timeline. We know He will come soon. I pray we will all prepare our hearts and our children's hearts for Heaven.

In His love,

Mrs. Denise Moore

YOU PEACE." – NUMBERS 6:24-26

Mission Statement

Educating for this world and the next.

Motto

Enter to Learn - Depart to Serve.

Philosophy

At Troy Adventist Academy our philosophy is very simple – we want every student who passes through our doors to have the best of both worlds. We provide an education unsurpassed in its academic excellence, one that will prepare each student to step unashamed into any academic circle after he/she leaves. We desire that each student will learn to think his/her own thoughts rather than merely mirror the ideas of others. We will make it part of our curriculum to show each student how to get along with others, how to keep his/her body and mind healthy, how to work hard, and how to make good decisions about life. We will teach our students how to be good citizens of the world they live in today.

We seek to help our students fulfill what we feel is the ultimate goal of education – to recreate in each person the image of God who created him. We want each child to grow spiritually, as well as physically, mentally, and socially. We will try by word and example to show each child how to love God best of all, and to show his/her love in a life of service to others. We will teach our students how to be good citizens of the world to come.

1 Thessalonians 4:16-17
"For the Lord Himself will descend from heaven with a shout, with the voice of an archangel, and with the trumpet of God. And the dead in Christ will rise first. Then we who are alive and remain shall be caught up together with them in the clouds to meet the Lord in the air. And thus we shall always be with the Lord."
